HUKA LODGE RECOGNISED IN TRAVEL+LEISURE WORLD'S BEST SERVICE AWARDS

Huka Lodge has continued its long tradition of upholding the highest service levels in the latest *Travel + Leisure Magazine's* Awards, with votes cast by its vast readership from around the world.

In the highly competitive Australian, New Zealand and Pacific *Resorts and Lodges* category, Huka Lodge was one of only two properties in New Zealand to receive such an award, a tribute to its dedicated team who ensure every guest experience is exceptional.

This recognition for fine service comes at a time when the Lodge welcomes new Assistant Manager, Tatsio Franco, a highly experienced hotel professional formerly Assistant Manager and Lodge Manager at Kauri Cliffs. Tatsio will join Huka Lodge General Manager, Louis de Bièvre.

Huka Lodge is a sister property to Dolphin Island, Fiji and Grande Provence Estate, South Africa. All three properties comprise The Huka Retreats and are the vision of their founder, entrepreneur Alex van Heeren.
